Our records indicate that your annual review for your long-term condition(s) is now due. Please see any instructions below. These will vary depending on your conditions:

Please contact the surgery, after 2pm on **0151 928 8849**, to book in with our healthcare assistant for a blood test.

You only need to book a blood test if you have the following – Hypertension, Diabetes, Heart disease or have had a stroke.

Once you have had your bloods done, please make an appointment to see the practice nurse for your annual review.

Contact the practice, after 2pm, on **0151 928 8849** to book an appointment.

Please bring your first urine sample of the day to the nurse's appointment.

Should you choose not to attend the practice for your review, please let a receptionist know and we will not contact you again for another year.

If you have booked or already attended your annual review, please ignore this message.
